SPIRIT CLUB

Do Something Extraordinary

Marquis Companies and Consonus Healthcare have always had a culture of giving back to the communities where we live and work. The Vital Life Foundation was formed to bring attention to the many causes that most impact our employees and residents.

By becoming a Spirit Club Member your donation will be equally matched, doubling your impact on organizations that work with youth, health and wellness, education, families, women and seniors. For a complete list of partners and beneficiaries, please visit the website.
